- JAVA Basics
- C# Basic
- PHP/NODE.js Basic-psql
- Android App Develop
- ASP.net Core Basic
- Digital System Design
- Javascript/HTML/CSS
- Bootstrap Basic

Career Summary:

Throughout my life, I have held a wide variety of jobs, that varied from physical (construction, merchandising) to office (customer service, document specialist). The common factor with each of the jobs I have held has been my ability to learn, improve, and excel in each.

Experience:

Documents Specialist - Parts

TERRA UNIVERSAL INCORPORATED

July 2008 – July 2009

Fullerton, CA

- Verified parts list with plans, for each order
- Made adjustments to measurements, labeling of parts, using AutoCAD/Solidworks
- On occasion, troubled shoot and went out on service calls
